

THE MIDWEST CLINIC
2009 Conference Housing Information

Housing is available at the following hotels at the rates indicated. To make a reservation, please call or write directly to the reservation manager of the hotel of your choice.

The Midwest Clinic is pleased to provide continuous, complimentary shuttle service to McCormick Place West. Service will be available between the official conference hotels (as listed on this page) and the conference site. We encourage you to reserve housing at the official conference hotels and take advantage of this service. Detailed service information will become available as attendees make their housing reservations; some of the shuttle arrangements will be based on the number of Midwest Clinic attendees staying at each hotel.

The Midwest Clinic will be coordinating shuttle service, with one exception. The Sheraton has kindly offered to provide its own shuttle service to McCormick Place West. Sheraton guests may contact the hotel with any questions about the Sheraton shuttles.
