

Apply to Perform at the 72nd Annual Conference

THE MIDWEST CLINIC International Band and Orchestra Conference

72nd Annual Conference • December 19-22, 2018

PERFORMANCE APPLICATION INSTRUCTIONS

The Midwest Clinic, annually held in Chicago since its inception in 1946, is the world's largest instrumental music education conference. Now attended annually by an international audience of more than 17,000 music educators, students, and professionals, the conference began over 70 years ago as a way to introduce directors to new repertoire for their ensembles. While much has changed with time, Midwest continues to honor its beginnings by presenting directors with this valuable resource through more than 50 concerts and new music reading sessions each year. Midwest Clinic concert programs present music at grade levels appropriate for a wide variety of ensembles, and balance new publications with more established compositions. The Midwest Clinic Board of Directors has carefully crafted program guidelines to ensure that the conference maintains its place as a leader in the ever-changing fabric of music education. When you apply to perform, you agree that, if selected, your program will conform to these guidelines. If your organization is qualified to perform and you will accept all of the responsibilities of this commitment, both organizational and financial, please submit the following application. All requested materials must be submitted electronically via the online performance application system no later than 5:00PM (CST) on **Monday, March 19, 2018**. APPLICATIONS AND MATERIALS THAT ARE NOT RECEIVED BY THE DEADLINE, OR ARE INCOMPLETE, WILL NOT BE CONSIDERED.

If your ensemble has been selected to perform at Midwest in the past, then you must allow four years to pass before reapplying. Ensembles that performed in 2014, 2015, 2016, or 2017 are ineligible to perform at the 2018 Midwest Clinic.

All applicants should read the Frequently Asked Questions about performance applications: www.midwestclinic.org/performancefaqs.asp

REQUIREMENTS FOR APPLICATION:

1. An unedited audio recording (NOT to exceed **30 minutes in length**), including the following:
 - Chamber Ensembles:** Two selections of contrasting styles
 - Concert Band:** One symphonic selection (overture, tone poem, etc.) and one traditional military-style march (see list)
 - String Orchestra:** Two contrasting selections representing different historical periods, styles, and tempi (no solo repertoire)
 - Full Orchestra:** Two selections contrasting historical periods, styles, and tempi (no solo repertoire) – one selection must be written for string orchestra
 - Jazz Ensemble or Jazz Combo:** Three selections in contrasting styles

ALL RECORDED SELECTIONS MUST BE UNEDITED (NOT DIGITALLY ENHANCED IN ANY MANNER).

2. A video of your ensemble performing the *same music* as on the audio recording (Must be a complete, unedited performance or rehearsal of the audio titles, though need not be of the same performance or rehearsal). For band and orchestra, the camera should be set in a location which allows the committee a front view of conductor's gestures, posture, and also a view of the musicians. For jazz, the camera should be set in front of the stage, showing a rear-view of the director.
3. A roster of your current ensemble, including instrumentation. Indicate with an asterisk the players who will be *leaving* your ensemble prior to December 2018.
4. Three evaluations from prominent directors who have worked with or heard your ensemble within the last year. Members of The Midwest Clinic Board of Directors are not eligible to submit evaluations. **The evaluation form (sample included) MUST be sent electronically to the Midwest offices, via the link provided to the evaluator, no later than 5:00pm (CST) on Friday, March 23, 2018.**
5. Please upload with your application a **good quality photo of yourself (at least 2") and one of your ensemble (at least 8") at least 300 dpi**. *Midwest will not accept photographs that are not uploaded to your performance application.*
6. Also, please uploaded several printed programs of the applying ensemble from the last two years.
7. Electronic signatures, indicating acceptance of the policies set forth in this application, including your school's/government's commitment to support your appearance if your application is accepted.
8. Directors of the participating groups are required to attend a planning meeting to be held in Chicago on *Saturday, June 9, 2018*. **If you cannot attend this meeting, or cannot financially commit to performing (if selected) at the time of submitting this application, please do not apply.**
9. **The entire application process will be electronic so no documents should be sent to the Midwest offices.**

RECORDING PREPARATION INSTRUCTIONS

PLEASE BE SURE TO TEST YOUR AUDIO AND VIDEO RECORDINGS TO MAKE SURE THEY PLAY WITHOUT INCIDENT. THE AUDIO RECORDING SHOULD BE OF THE HIGHEST AUDIO FIDELITY.

- a. **Audio and Video recordings MUST be recorded after September 1, 2017.**
- b. Your administrator must certify that the selections on these recordings are unedited.
- c. Each selection and/or movement must be a separately uploaded track and should be itemized on the video recording.
- d. Your ensemble must not be identified within the sounds recorded on the audio itself, such as in an announcer's introduction or a director's voice (This does not apply to the video portion). Any ensemble that is identified on the audio recording will be disqualified.
- e. ONLY the following audio formats will be accepted by the performance application system: .aiff, .wav, and .mp3. We recommend .aiff or .wav file formats due to their superior fidelity over .mp3.
- f. The performance application system will only accept UP TO 30 minutes of audio and video files (separately) so please prepare your submissions accordingly.

The Midwest Clinic March Composers List

The required march submitted by all concert band applicants must be a traditional military-style march by a composer included on this list. For your reference, “The World Is Waiting for the Sunrise” by Harry Alford and “Easter Monday on the White House Lawn” by John Philip Sousa are not considered by the Ensemble Selection Committee to be traditional military marches.

2018 MIDWEST CLINIC PERFORMANCE APPLICATION – Page Two: Programming Rules

(Applications without the director's signature on this page will not be accepted)

These rules are for Midwest Clinic performances, ***not your audition recording.***

1. All music played must be published, printed, and currently available to directors. One selection may be a manuscript. Rental music will be categorized the same as published music. That is, rental music must be available from an eligible publisher and shall be considered in all other matters of grading, time, and composer/arranger as published music.
2. 50% of each band program must be new music published and printed between September 15, 2016 and September 15, 2018. 40% of each orchestra program must be music published and printed between September 15, 2016 and September 15, 2018. 50% of each jazz ensemble program must be new music published and printed between September 15, 2016 and September 15, 2018. 50% of each chamber/percussion ensemble program must be music published between September 15, 2015 and September 15, 2018.
3. Up to two publishers may be represented twice on your program. The rest of your program may contain only one piece from any publisher.
(Numbers 1 and 3 do not apply to chamber/percussion ensembles.)
4. Music performed at Midwest in the last three years (2017-2016-2015) is not eligible for performance. This list will be provided to all performers.
5. For every grade 4, 5, or 6 an equal number of grade 1, 2, or 3 music must be played.
6. The major portion of each program must include works not longer than ten minutes. On longer works, appropriate cuts should be made.
7. The final program, submitted in September, cannot be changed once it is approved.
8. The Midwest Clinic Board of Directors reserves the right to assign and delete selections as necessary according to the rules, and to make suggestions for performance order.
9. Students must be enrolled in your school to perform with your group (though a former student may be a guest soloist).
10. The Midwest Clinic reserves the right to approve all soloist and guest conductor appearances. Each program is allowed a maximum of five conductors, including the principal conductor.
11. An adequate number of chaperones must accompany the students throughout their entire stay at the Clinic in accordance with Midwest and hotel policies.
12. The performing groups may not solicit exhibitors for funds.
13. Professional, community, and area youth organizations should complete the requested information as it applies.
14. Midwest Clinic concerts are designed to present new music and to assist those interested in instrumental music education in better pursuing their profession.
15. The Midwest Clinic reserves exclusive recording rights of performances and clinics.
16. The Midwest Clinic reserves the right to withdraw a group's invitation at any time during the year when given sufficient cause, such as in the case of a director change. Any significant change to an ensemble's status, such as a director change, must be reported to The Midwest Clinic immediately.
17. All deadlines set forth by The Midwest Clinic staff must be adhered to and all documents requested must be submitted. Failure to do so could result in a group's invitation being withdrawn.
18. All ensembles except professional and military groups are **required to purchase one official concert recording per musician** that performs at the Midwest Clinic.

I have read the above Midwest Clinic music-programming rules and, if accepted to perform, will abide by them throughout the planning process.
