How MUSIC affects young people

**Frank Battisti
Conductor Emeritus
New England Conservatory
Boston, Massachusetts**

A man with short grey hair, wearing a light blue and white striped button-down shirt, is sitting at a desk. He is smiling and looking towards the camera. His hands are resting on a large, open book or portfolio filled with musical notation. Several other sheets of paper with musical notation are scattered on the desk in front of him. The background is a dark, solid color.
