MUSIC COPYRIGHT PROBLEMS THAT SCHOOLS FACE

The solution is School Music License!

- Easy to use online platform
- Obtain the rights you need to stream performances without takedown notices or being muted on social media
- Simple reporting process to ensure accurate royalties to composers and authors
- Eliminates the frustration of trying to “do the right thing” by obtaining approvals from multiple rights owners and removes administrative burden
- Coverage for concerts, halftime shows, sporting events, recitals, and competitions

ETHICAL

Actively ensuring just royalty compensation for artists & composers

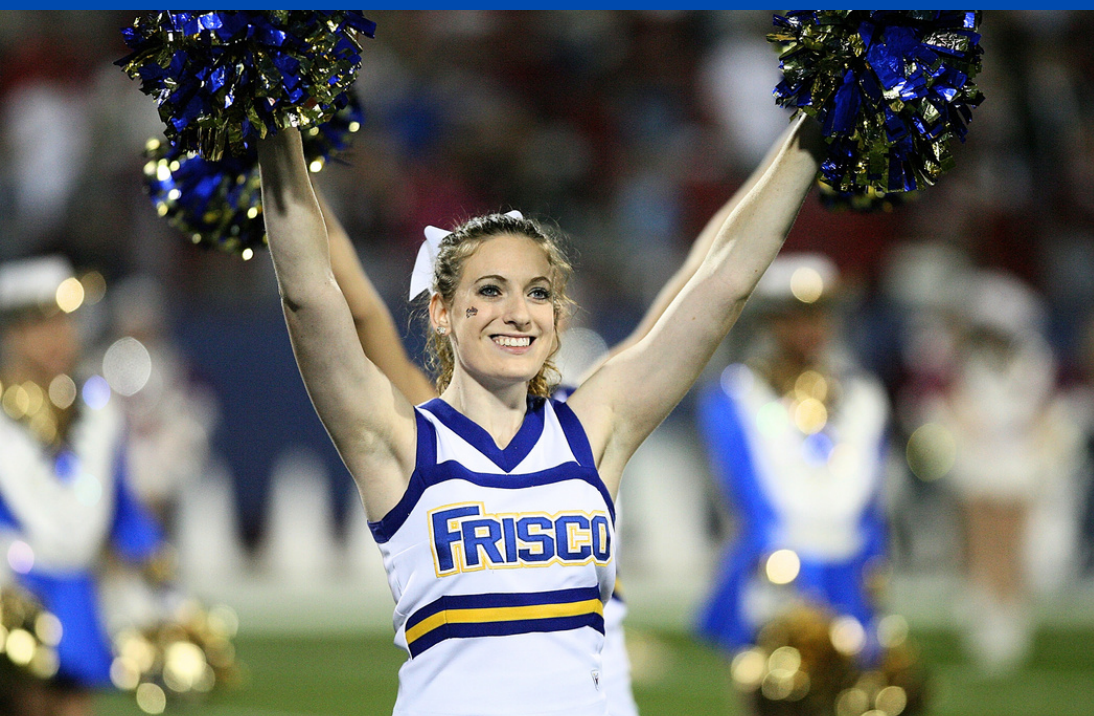

EQUITABLE

Offering a pricing model based on school level & enrollment, no additional fees

EDUCATIONAL

Educating and equipping our License Holders, not just “compliance”
