

If My Ensemble Sounds So Good, Why Do I Feel So Bad?

New Pathways for a Post-Pandemic Era

2022 Midwest Clinic
Monday, December 19th, 2022

1

THE GREATEST THREAT TO MUSIC EDUCATION COMES FROM WITHIN

Without change, we will see a
significant turnover in music education.

**YOUR CHANGE
MINDSET**

You're not a **victim**

No one can take **anything that matters**

Find your **True North**

Small changes make a **big result**

Always be talking to **yourself**

BLESSINGS AND CURSES

You do the most good, when you are doing what you are most good at.

**YOUR HAPPINESS
EQUALS KIDS
HAPPINESS**

What makes you (un)happy?

Where are you (un)happy?

Who makes you (un)happy?

When do you feel (un)successful?

WHO ARE YOU?

Where are you most effective? What are you best at?

WHY DO YOU TEACH?

What is your personal mission statement?

Who do you do it for?

OUR HORIZONTAL PROFESSION

**Climbing the ladder sideways and
change your professional journey.**

STRUCTURED IMPACT

Embed it in your **concert** program
Embed it in your **marching** program
Embed it in your your **jazz** program
Embed it in your **overall** program
Embed it in your **on-campus**
Embed it in your **leadership team**

THE RULE OF SEVENS

What is the next chapter for your story?

AN ONGOING CONVERSATION

Write down changes you want to make. Revisit it every June.

COMPOUNDING INTEREST

**You will never see the final flip,
but it will occur.**

NEED A REMINDER

FutureMe.org is a great resource.

THE RIGHT WAY TO INVEST

Small changes now will produce large results later.

THE SENTENCE YOU NEED TO FINISH

2023 will be the best or most
important year of my career because...

WHO ARE YOU?

What do you want a former student to say about you? Now, and in 20 years?

THANKS FOR COMING

We will be in touch. Contact me if there is anything I can do to help.
